

Cloud Migration Solutions Brief

THE CHALLENGE

IT is expected to do more with less by transitioning infrastructure, applications, and data to the cloud, yet unexpected events lead to a staggering number of cloud failures. Presidio Federal leverages proven automation tools, accelerators, frameworks, and cloud transition specialists to accelerate your cloud transition. With Presidio Federal, there's no guesswork. We've done this all before.

SOLUTIONS

Presidio Federal's Cloud Migration team provides four distinct solutions to fit agencies' unique needs. These include:

“LIFT AND SHIFT” INFRASTRUCTURE MIGRATION

Move your data centers to the cloud as quickly as possible to accomplish your short-term goals with minimal impact on operations.

PLATFORM MIGRATION

Commit to a complete digital transformation to realize the long-term benefits of continuous innovation.

DATA MIGRATION

Move data from on-premises to the cloud to reduce storage costs, gain availability and scalability, and advanced analytics.

APPLICATION MIGRATION

Modernize legacy apps with cloud-native computing to offer greater simplicity and enhanced functionality.

WHY PRESIDIO FEDERAL

Presidio Federal is a purpose-built and mission-driven IT solutions provider dedicated to serving the federal government. We leverage our wealth of experience and deep relationships across our partner ecosystem, creating an environment of active collaboration and real-time responsiveness.
